SUMMARY

A motivated final-year student in Artificial Intelligence and Machine Learning (AIML), with knowledge in web development and a passion for applying AI and machine learning techniques to solve real-world problems. Skilled in Python and web development frameworks, I am eager to contribute to innovative projects and collaborate in a dynamic internship role. Seeking opportunities to expand my skills in both AI and web technologies while gaining hands-on experience in a professional environment.

TECHNICAL SKILLS

- **Web Development:** HTML, CSS, JavaScript
- **Programming Languages:** Python (Intermediate), Java (Basics)
